

Are Your Crucial Conversations Flops?

As I write this blog, I am waiting in the Frankfurt airport and traveling to [Istanbul, Turkey](#) to join the [EO University](#) and about 700 of my fellow entrepreneurs, including some of my very close friends. I have been looking forward to this conference for a while and have been intrigued with Istanbul for as long as I can remember. I suspect it has something to do with a movie I had seen when I was younger. I look forward to sharing some of my experiences from exploring the city and attending the conference in upcoming blogs.
