## Are Your Crucial Conversations Flops?

As I write this blog, I am waiting in the Frankfort airport and traveling to <u>Istanbul</u>, <u>Turkey</u> to join the <u>EO University</u> and about 700 of my fellow entrepreneurs, including some of my very close friends. I have been looking forward to this conference for a while and have been intrigued with Istanbul for as long as I can remember. I suspect it has something to do with a movie I had seen when I was younger. I look forward to sharing some of my experiences from exploring the city and attending the conference in upcoming blogs.
