

STOP Doing It!

So much of what we do in business is about the things we need to get done. I need to write a report. I need to send e-mails to my clients. I need to create a budget. I need to put a plan together for the next quarterly meeting. On and on it goes with stuff we need to do in order to make progress in our business. Nothing is wrong with this, especially when it creates progress. Progress has been determined to be the number one motivator of both business owners and employees.
