

# How Do You Get Great Ideas?

Many of us out there hold a strong aversion and distaste for meetings. You have heard it before, or possibly even said it yourself: “We do nothing but have meetings around here, so how am I to get any work done?” Why do we have such negative feelings in regards to getting a group of people together to discuss issues and create solutions to move forward?

I believe strongly in the power of the group and think it is vital to bring people together to create the best ideas. If you have read this blog for any amount of time, you have seen me discuss my belief in collective intelligence, an ideal I trust in so much that I even started a mutual fund managed around the philosophy.
