

Our Economy's Transition to Oversupply

Last week, I said we would discuss how to zero in and better handle the demand economy, and we will also look at how to make your offering target the demand that you want to create. We will actually do that nextweek, so we can first understand how we have transitioned into an economy of oversupply. Let's review why economic demand has changed. In the book "[How Companies Win](#)," [Kash and Calhoun](#) describe four phases of transitions moving from a supply based economy to a demand based one.
