When you watch this short video, titled [“Less Than 1% Get Funded,”](#) you will see a key issue in the mindset of a lot of businesses. Businesses will come up with an idea and then go out, get a bunch of money, and it will GO BIG.

This mindset leads to 99% of people not getting funded. It takes a lot of grassroots to get you to where funding is the appropriate next step.

Scaling bounceit!™ by Not Scaling

Many of us look at the world we live in today and think about an idea we may have that, if launched in our connected world, it would spread and we would become super rich. With the internet and smart phones allowing us to be connected

everywhere, this is not a pipe dream. The right idea, combined with enough money and a strong management team, can push an idea out in the marketplace and accomplish those dreams.

Marketing through Online Contests

We have had some fun at my office recently, creating a video that will help to generate a feel and personality that represents our company. Mainly, it shows that we can let our hair down (or put some on) and just have some fun. We did this by putting together a rap video in the imitation of a rap song out there called "Thrift Shop." The reasoning for this video is two-fold: Making it helped to create fun in our company, and it shows you how you can have fun by using contesting in your company's marketing strategy.

Is Geo-Fencing on Your Map?

As we continue to build mobile apps for clients, the advantages resulting from these apps are appearing limitless. I have been in Charlotte this week for the EO Nerve Conference. When I called for a taxi, they said that I can download an app that will send a taxi to me. Not only that, but I can follow the taxi's location as it comes to pick me up.
