

Marketing through Online Contests

We have had some fun at my office recently, creating a video that will help to generate a feel and personality that represents our company. Mainly, it shows that we can let our hair down (or put some on) and just have some fun. We did this by putting together a rap video in the imitation of a rap song out there called "Thrift Shop." The reasoning for this video is two-fold: Making it helped to create fun in our company, and it shows you how you can have fun by using contesting in your company's marketing strategy.
