

Moving Past the Struggle

I have written many blogs, and for the most part, I talk about the opportunities in the marketplace, the people, the freedom, the places, and the experiences of being an entrepreneur. Rarely have I discussed the struggle and how being an entrepreneur can be downright difficult at times. This is part of the environment that you take up when you choose or, for some, are forced into this path. The allure of the business owner draws you in, but are you prepared for the reality that will inevitably follow?
