

What's the Pattern Here?

Have you ever noticed how things work in cycles with observable patterns? As someone whose strength is observing and seeing patterns, I find it helpful to know that these patterns exist and to see if this awareness generates some form of opportunity. This may be because I have that entrepreneurial instinct that draws out this intrigue, but whatever the case, they seem to pop up everywhere.

SWOT your Way to Focus and Flow!

When you run a business, various opportunities often present themselves and persuade you to run off in different directions, pulling you away from your focus. This happens to me frequently, and I find it difficult to avoid being sucked down a path that sounds like the next great avenue for huge success.

Thankfully, my partners, [E0 Forum](#), or my team usually slap me back into reality. Taking a closer look at what you are doing can also help you discover if these opportunities are worthy or if the current focus is best.

Choose to be Great with These 3 Behaviors!

In last week's [blog](#), I introduced the three core behaviors for business greatness as researched by [Jim Collins](#) in his new book "[Great by Choice](#)." These behaviors include fanatical discipline, empirical creativity, and productive paranoia.
