

Keeping It Simple Is An Understatement

When we are looking at our business, it seems completely obvious we should just keep it simple. While this may seem obvious, it is much more difficult to accomplish in a complex world filled with complex processes, complex rules, complex people, and complex competitive forces. If we could be more disciplined and keep it simple in our businesses, would we have more success? Well, that is what [Ken Segall](#) says in his new book that explains how [Apple](#)'s success was based on not just simplicity, but the Insanely Simple.
