

# The Mobile Future is Right Before Our Eyes!

Last week, I traveled to Dallas, TX for a guys' weekend with my son Tony, his close friend Steven, and my brother Mark. While there, we also attended the Bills vs. Cowboys football game. Having grown up in Rochester, NY, I am a Bills fan, which is often difficult to endure. That weekend was no exception. Even after a great start to the season, the Bills lost 44 to 7. Other than that, we had a great time, and the Cowboys' stadium is off the charts!

You seem to open your eyes more to what is around you when you're in a new environment, so being a bit more observant, I watched the nonstop mobile usage around me. These observations made me want to share some recent research that has been released. Based on the research and my own thoughts, mobile devices are becoming a powerful force in our lives.
