

Crowdfunding, the Savior for the Entrepreneur

Something exciting has happened in the entrepreneurial world, and I want to share it with everyone. The [JOBS Act](#), passed by both houses of Congress in March and signed into law on April 5th, will generate big changes for the growth of small and mid-sized businesses. One of the major amendments in this bill would allow [crowdfunding](#). I see this evolving into a significant means for companies to access increased funding, and it is a great way for small investors to find more opportunities to devote their money to companies with which they are more closely involved. Given how connected we are through social media and the internet, this is ripe for the times!
