

Hooray...I Failed!

What have you failed at lately? Do you brag about it to others? I don't know about you, but I have tried a lot of things and I have failed at a lot of things. Most people think that it reflects badly on you to fail and then to share what you have failed at doing. I was that way when I was younger and was embarrassed and shy about discussing things that didn't go so well. Now, I don't feel that way, because I realize that these attempts have led to my successes.

How do you become successful if you don't try? Ask anyone that has achieved success and they will tell you, it was not a straight line from where they started to whatever place they realized their relative success. They will tell you it was filled with a few big failures, or maybe a bunch of small ones, but whatever the case, there were failures along the way.
