

Kick Start The New Year

As we start the New Year, so many of us reflect upon what it would be like to make this year a better one. Instead, what if we think about how we can make it happen? How does the reality that we want to see actually manifest? It happens by first figuring out where you want to go and removing the obstacles that are stopping you from getting there.

A Better Version of Myself

I have returned home from my E0 adventure in Istanbul, Turkey. What an amazing time with 800 entrepreneurs from 91 E0 chapters in 39 countries around the world! We heard many interesting speakers, including the Turkish Prime Minister Tayyip Erdogan, who sent a recorded message for us. He told us about their country's openness to trade and commerce. They are the fastest growing [G-20 nation](#) at 8.5%.
