

ABUNDANCE – [uh-buhn-duh ns]: an extremely plentiful or over sufficient quantity or supply

My son (Tony) graduated from college back in May from the University of TN. I was toasting him, my niece (Danielle) and a bunch of graduate friends at his college graduation party when I shared some comments and personal perspective about looking at their life ahead. The toast went something like “there are great opportunities out there to grow and advance yourselves and I feel a lot of you have a head start because I see you have a mind set of ABUNDANCE! This allows the things in life you want to have to flow to you much more easily!”
