

# Can a Meeting be a Game Changer?

Why is it that so many of us don't like meetings? I personally like the feeling of getting a bunch of innovative people together generating better and smarter ideas than any one of us could come up with on our own. Most people have a hard time seeing a meeting as a game changer. Would you think a meeting could speed up change or push you ahead of the competition

to become the global leader in the industry?

## Steve Jobs And The Power Focus!

I am writing this week's blog on Friday, October 5, which has great significance for me. My partner of 20 years back in my investment days was born on this day, along with my lifelong best friend Ronald Poles. It is also one year from the day that Steve Jobs passed away. [Verne Harnish](#) reminded me of this in his [blog](#), and he shared this [video put out by Apple](#). It is a nice tribute and a great reminder of what he and Apple have done for our everyday lives.
